Jalan Alor is a 500-metre long food street in Kuala Lumpur. Located in the heart of the city in Bukit Bintang Area, it is one of the busiest food streets of the world.

This jam-packed street stands in sharp contrast to the rest of the modern hustling and bustling Kuala Lumpur city. It was once a red light district with movie theatres and cabarets. Today, Jalan Alor is a must-visit for tourists since it offers a deep insight into the rich Malaysian culture. The street vendors, aromatic smell of the fried dishes, actions of the grills and the skewers, render Jalan Alor a quirky festive vibe.
